Écrivons pour le climat

Note: FLAATF Vice-President Madeleine Flanagan is the director of this competition.

Ce concours international, à destination des apprenants de 8 à 18 ans et de leurs professeurs, a un double objectif : développer chez les apprenants la prise de conscience de la problématique du climat et l'exprimer à travers la langue française, langue de la défense de l'environnement, sous toutes ses formes écrites (reportage, bande dessinée, affiche publicitaire, slam, poésie...).
